

# Getting Organized for Your Summative Evaluation Conference

- 1.** List all indicators under each domain where your performance was rated effective or highly effective consistently:

Supporting artifacts:

(Use this section to establish a pattern of effective teaching)

- 2.** List all indicators under each domain where your performance was rated partially effective or ineffective consistently:

Supporting artifacts:

(Use this section to prepare arguments for higher ratings in these indicators)

- 3.** List all indicators under each domain where your performance was not observed or rated N/A:

Supporting artifacts:

(Use this section to prepare arguments for indicators not addressed during observations)
